(DOUBLE HUNG)

INNER STRENGTH.

PROPRIETARY TECHNOLOGY: **COMPOSITE REINFORCEMENT** WITHIN INTERLOCKING SASHES

The very durable yet lightweight composite reinforcement within the interlocking sashes not only greatly increase structural integrity and strengthen lock and keeper security, but is less conductive and less susceptible to temperature change than that of more conventional windows that use metallic internal extrusions.

**INCREASED
STRUCTURAL STRENGTH**

REDUCED CONDUCTIVITY

**ENHANCED
THERMAL PERFORMANCE**

EASY HARDWARE.

LOCK-TILT COMBO ALL-IN-ONE MECHANISM

One simple, smooth hand turn and single operation for locking, unlocking, and tilting sash. The Crusader® Elite Lock-Tilt Combo, the patented lock and tilt latch release mechanism (DOUBLE HUNG), has been specifically designed for the high-end window market. The sturdy Lock-Tilt Combo will stand up to thousands of cycles.*

DOUBLE HUNG

Double Hung windows are the most popular window style and feature vertically moving sashes. Crusader® Elite Double Hungs represent the ultimate in performance, beauty, value, and quality.

FEATURES

DELUXE DUAL-VENTILATION LATCHES

Limit the window opening to a set point during ventilation.

STAINLESS STEEL CONSTANT FORCE BALANCE SYSTEM

Provides smooth and effortless operation.

HEAVY-DUTY LOCK-TILT COMBO*

The sturdy build of the patented all-in-one lock & tilt mechanism features rare ease of use and makes for cleaner aesthetic lines.

EXTRUDED LIFT & PULL RAILS

Built directly into sash for greater durability. No added or snap-in components.

LOCKING HALF SCREEN WITH WATER SHED TECH

BetterVue™ screens are fiberglass mesh and extruded aluminum frame, with water shedding technology, increased strength, and improved visibility compared to standard screens.

COMPOSITE REINFORCED INTERLOCKING SASHES

Composite reinforced, proprietary interlocking sashes provide increased strength where sashes meet.

SLIDER

Slider windows feature sashes that glide smoothly from side-to-side on brass rollers along grooves on the frame structure. Crusader® Elite Sliders, as 2-LITE or 3-LITE, are a very popular window style for their lateral movement and ease of use.

HEAVY-DUTY LOCK

One simple, smooth hand turn; heavy-duty cam-action lock of die cast zinc.

EXTRUDED LIFT & PULL RAILS

Built directly into sash for greater durability. No added or snap-in components.

CASEMENT

The Casement hinges on top and bottom, its side swinging outward to open on stainless steel tracks. Our Crusader® Elite Casement window is one of the most innovative on the market. With an integrated spacer that is made as part of the extrusion, fewer components are required to reach peak thermal performance.

BULB SEAL
Double-barrier protection from water and air infiltration.

HEAVY-DUTY MULTI-POINT LOCK HANDLE
With one simple and smooth lever-action, our heavy-duty die cast zinc lock helps keep your home safe.

FULL SCREEN/ALUM. FRAME/WATER SHED TECHNOLOGY
BetterVue screens are fiberglass mesh and extruded aluminum frame, with water shedding technology, increased strength, and improved visibility compared to standard screens.

HEAVY-DUTY HANDLE & CRANK
Folding down into the operator when not in use, the handle/crank makes opening and closing easily done with one hand.

CASEMENT PICTURE

Casement Picture windows match the sight lines of Casements and do not open or close.

AWNING

Crusader® Elite Awning windows are hinged on each side, its bottom swinging outward to open on stainless steel tracks. Awnings offer ample light and ventilation and can be used either alone or with a casement or picture window.

BULB SEAL
Double-barrier protection from water and air infiltration.

HEAVY-DUTY LOCK HANDLES
With simple and smooth lever-action, our heavy-duty die cast zinc locks help keep your home safe.

PICTURE

Like a picture frame, Crusader® Elite Picture windows highlight your beautiful scenery, letting in the natural light and providing an attractive view of the outdoors. Pictures are characterized by clean aesthetic lines, and are an excellent complement to Crusader® Elite Double Hung windows.

FEATURES

PREMIUM DOUBLE STRENGTH GLASS

Standard throughout this series.

100% VIRGIN VINYL
Maintenance-free frames, with fusion welded corners for increased structural integrity, exceeds the strength of ordinary designs.

CASEMENT PICTURE

Crusader® Elite Casement Picture Windows match the sight lines of Casement windows to pull together a complete look for your home. Casement Pictures do not open or close and are designed to provide an unobstructed view of the outdoors.

FEATURES

PREMIUM DOUBLE STRENGTH GLASS

Standard throughout this series.

100% VIRGIN VINYL
Maintenance-free frames, with fusion welded corners for increased structural integrity, exceeds the strength of ordinary designs.

PERFORMANCE

Continuous commitment to environmental conservation and energy efficiency are key ingredients in our product offering. We work toward this goal by partnering with Energy Star and offering packages that increase the energy efficiency and performance of all our products. Environmental awareness is at the forefront of our work from design to the innovative creation of manufacturing practices which are aligned with our Core Values. For full NFRC information pertaining to products within this series and specific to your geographic location please visit NBPwindows.com/learn/energy-efficiency

"ENERGY STAR® is the government-backed symbol for energy efficiency, providing simple, credible, and unbiased information that consumers and businesses rely on to make well-informed decisions."
energystar.gov

"The National Fenestration Rating Council is a non-profit organization that establishes objective window, door, and skylight energy performance ratings to help you compare products and make informed purchase decisions." **nfrc.org**

ENERGY PACKAGE

- 1 SOFT-COAT LOW-E PANE
- 2 ARGON GAS
- 3 FOAM ENHANCEMENT

LOW-E/ARGON PACKAGE

- 1 SOFT-COAT LOW-E PANE
- 2 ARGON GAS

ADDITIONAL

NEW CONSTRUCTION
Specialized master frame with J-channel and nailing fin to facilitate installation with a better and more secure fit into your new home.

FULL SCREENS
Upgrade to be able to fully vent window. (Picture: no screen; Casement/Awning: standard full screen.)

SPECIALTY GLASS
For added privacy... and for additional peace of mind, add especially tempered safety glass.

FACTORY MULLING
Northeast offers a zero-degree mulling system with factory sealed joints and steel plates at both the top and bottom of the window for added strength.

CUSTOM SHAPES
For the ultimate in style, design and individuality, Northeast offers a full line of specialized window shapes and sizes, custom made to fit your home's unique character.

DOUBLE LOCKS
Add a second lock to your window for increased security. (Double Hungs: double locks standard).

EXTENSION JAMB
Add an extension jamb to fill the depth of the wall space from the inside face of the window frame to the interior wall.

ORIEL STYLE/COTTAGE CONFIGURATIONS
Oriel style windows feature unequal sash configurations. This allows for a distinctive, customized look that will set your windows apart.
